Dear LILI MUSNELINA

We have conducted a review of your paper as part of the publication process in JIFI. Enclosed, please find the comments from the reviewer and editor by logging into your account at <http://jifi.farmasi.univpancasila.ac.id/index.php/jifi/login>

According to the Regulations and Rules of Jurnal Ilmu Kefarmasian Indonesia, if you wish to re-submit the revised manuscript accordingly, please make sure that the total percentage of plagiarism will be less than 20%. Please find the Turnitin check and editorial comment in the "Discussion" section.

Please make the necessary revisions to the paper according to the reviewer's and editor's comments.

Please complete the detailed information for the name of the author(s) and affiliation of each author(s).

After the revision is complete, please submit the revision by replying to this email or submitting it in OJS, no later than **October 6, 2023**

We will proceed to the next step (layout, Final proof, and copyright) of the revised paper before published.

We are looking forward to receiving your revised paper soon.

Sincerely yours,

Editor in Chief of JIFI

Prof. Dr. apt Shirly Kumala, M. Biomed.

Dear Lili Musnelina ,

Your article is scheduled to be published in Vol. 21, Issue 2, 2023- Third week.

Galley proof of the article has been attached to this email.

You are required to go through your article and read it critically for any corrections.

If you find any correction, send it to adminjifi@univpancasila.ac.id within 48 hours with reference no.

(Corrections should be suggested in PDF file of your article using Tool comment and Markup)

Please specify reference/manuscript No (Example- JIFI 1475) compulsorily with volume, issue and year.

Note: No request for corrections shall be entertained after the specified time (48 h of receipt of the email). In case, any of the mistakes left there in will be the responsibility of the author. This is last chance for any correction.

Please note that units have been corrected as per guidelines of the journal during copyediting and authors are suggested not to request for the corrections in the same.

Cross check all the data in text and respective tables and figures critically to avoid any mismatch.

- Grammatical errors
- Comma and Full stop
- Formatting of Tables and figures.
- Headings and Subheadings
- Uniformity of References (Most important).
- Cross check the legends (Mentioned below tables & figures) whether these are correct for respective tables & figures of modification is required.

In case of any correction, in the image/fig, authors should send the corrected image/figure.

Authors are required to approve their article for publication. If the article is not approved in due time, authors/readers may not able to find it online.

Note: While sending email for corrections required, please write down manuscript reference no and Issue of publication in Subject section clearly.

(You can view/read the final corrected copy of the manuscript after the publication only. No further proof will be provided).

Thanks
Editor in Chief
