Penulisan saudara belum sesuai dengan templet terutama untuk kelengkapan reference. pembahasan

terima kasih atas kerjasamanya

An initial review of "PERBEDAAN PENURUNAN GLUKOSA DARAH pada PASIEN DIABETES MELITUS TYPE 2 YANG DIEDUKASI dan TIDAK DIEDUKASI di RSUP FATMAWATI" has made it clear that this submission does not fit within the scope and focus of Jurnal Endurance : Kajian Ilmiah Problema Kesehatan. I recommend that you consult the description of this journal under About, as well as its current contents, to learn more about the work that we publish. You might also consider submitting this manuscript to another, more suitable journal.

copyedited version.

3. Review the copyediting, making changes using Track Changes in Word, and answer queries.

4. Save file to desktop and upload it in 2. Author Copyedit.

5. Click the email icon under COMPLETE and send email to the editor.

This is the last opportunity that you have to make substantial changes. You will be asked at a later stage to proofread the galleys, but at that point only minor typographical and layout errors can be corrected.

Assalamualaikum wr, wb

Kami sudah melihat bahwa jurnal **endurance** edisi terbaru sudah terbit, tapi kami melihat bahwa artikel kami tidak ada dalam jurnal tersebut. Oleh karena itu kami ingin menanyakan kenapa itu terjadi padahal kami sudah membayar dan mengikuti petunjuk yang berikan. Kami mendengar bahwa terjadi kesalahan teknis (error) dalam sistem, jika memang demikian, kapan kiranya artikel kami akan diterbitkan.

Demikianlah surat ini kami buat untuk mendapatkan jawabannya.

Wassalam,

Lili Musnelina
